

## COLUMN 84 - CODE 600

---

The column is the heart of every Plate Mate and the parts are identical for all types.

The number of parts depend on the different lengths and capacities. The columns can be supplied loose in different lengths and are maintenance free. Columns are supplied with all parts mounted.

There is a one year warranty on Plate Mate products. Cleaning can be done with a high pressure cleaner or with a soap solution and a brush.

*The beating heart of  
every Plate Mate*
